

SEAN A. SUTPHEN, DO

Illinois Bone and Joint Institute
2101 Waukegan Rd #100, Bannockburn, IL 60015
Office: 847-914-9096
Fax: 847-914-9009

EDUCATION

Miami University B.A., Zoology	Oxford, OH May 2008
Lake Erie College of Osteopathic Medicine Doctor of Osteopathic Medicine	Erie, PA June 2012

POST-GRADUATE TRAINING

Ohio University Heritage College of Osteopathic Medicine/OhioHealth <i>Orthopedic Surgery Resident</i> <ul style="list-style-type: none">• Chief Resident• Affiliations with: Nationwide Children's Hospital, The Ohio State University	Columbus, OH 7/2012 – 6/2017
Hospital for Special Surgery <i>Orthopedic Surgery Adult Reconstruction Fellow</i> <ul style="list-style-type: none">• Affiliations with: Weill Cornell Medical College and New York Presbyterian Hospital	New York, NY 8/2017 – 7/2018

MEDICAL CERTIFICATIONS AND LICENSURE

Advanced Trauma Life Support	2013 - Present
Advanced Cardiac Life Support/Basic Life Support	2014 - Present
Ohio Medical License	2015 - 2018
New York Medical License	2016 - Present
Illinois Medical License	2018 - Present

FACULTY APPOINTMENTS AND CLINICAL POSITIONS

Ohio University Heritage College of Osteopathic Medicine/OhioHealth <i>Adjunct Clinical Faculty</i>	Columbus, OH 7/2012 – 6/2017
Weill Cornell Medical College <i>Adjunct Clinical Faculty</i>	New York, NY 8/2017 – 7/2018

PROFESSIONAL MEMBERSHIPS

American Osteopathic Association	2008 - Present
Sigma Sigma Phi Medical Honors Society	2009 - Present
Ohio Osteopathic Association, Resident Member	2012 - 2017
American Osteopathic Academy of Orthopedics	2012 - Present
American Academy of Orthopedic Surgeons	2012 - Present
AO Trauma	2013 - Present
American Association of Hip and Knee Surgeons	2015 - Present
Mid-America Orthopaedic Association	2015 - Present
International Congress for Joint Reconstruction	2016 - Present

AWARDS/HONORS

American Collegiate Hockey Association All-American	2005 - 2007
Miami University Hockey Club Captain	2005 - 2008
Miami University Hockey Club MVP	2005 - 2007
American Collegiate Hockey Association National Team	2008
Dean's list, Miami University	2006 - 2008
Lake Erie College of Medicine Academic Excellence Scholarship	2009 - 2012
Lake Erie College of Medicine Student of the Year Finalist	2009 - 2010
Lake Erie College of Medicine Surgery Club Executive Board	2008 - 2010
Sigma Sigma Phi Medical Honors Society Induction	2009
TOUCH Pin Award Recipient	2011
Lake Erie College of Medicine Surgery Discipline Award	2012
Doctors Hospital Advanced Anatomical Services Master of Dissection Award	2013
First Place Poster: OhioHealth Research Symposium	2015
Second Place Research Paper: AOA Annual Meeting	2015
Third Place Research Paper: AOA Annual Meeting	2015
First Place Podium: OhioHealth Research Symposium	2016
<i>Orthopedics</i> Blue Ribbon Award Winning Paper	2016
Second Place Research Paper: AOA Annual Meeting	2017

WORK EXPERIENCE

Nationwide Children's Hospital Radiology Department, Research Assistant	2007 - 2009
Nationwide Children's Hospital, Orthopedic Moonlighter	2015 - 2017
OhioHealth Dublin Methodist Hospital, Orthopedic Moonlighter	2015 - 2017

VOLUNTEER EXPERIENCE

Nationwide Children's Hospital Pulmonary Unit <i>Patient Care Volunteer</i>	Columbus, OH 2005 - 2007
Lake Erie College of Osteopathic Medicine Anatomy Lab <i>High School Presenter</i>	Erie, PA 2008 - 2010
Dublin Methodist Hospital Surgery Department <i>Patient Care Volunteer</i>	Dublin, OH 2008 - 2010
Dominican Republic Medical Missionary Trip <i>Volunteer Student Physician</i>	Santo Domingo, DR 2009
Bishop Ready High School <i>Sports Physicals</i>	Columbus, OH 2012 - 2014
Doctors Hospital Casting and Splinting Clinic <i>Instructor</i>	Columbus, OH 2013
The Arnold Schwarzenegger Sports Festival <i>Volunteer Physician</i>	Columbus, OH 2013 - 2015

CURRENT RESEARCH INVOLVEMENT

1. Reducing Postoperative Antibiotic Polypharmacy in Orthopedic Surgery: A Multi-Center Blinded, Prospective Randomized Study, with Ben Taylor, M.D., Grant Medical Center.
2. The changing face of total hip arthroplasty failures; an analysis of 17, 141 primary hips with Doug Padgett, M.D., Hospital for Special Surgery.
3. What is the Variability of Femoral Anteversion after Total Hip Arthroplasty? with David Mayman M.D. and Seth Jerabek M.D., Hospital for Special Surgery.
4. Are one-stage revisions as successful as two-stage revisions in eradicating periprosthetic joint infections after THA and TKA? with Michael Cross M.D. and Peter Sculco MD, Hospital for Special Surgery.
5. Radiographic Measurements do not Influence Anterior Knee Pain following a Total Knee Arthroplasty at 5 Year Follow-Up with David Mayman M.D., Hospital for Special Surgery.
6. Validity of a “Dry Tap” Prior to Reimplantation, with Michael Cross M.D., Hospital for Special Surgery.
7. Native Femoral Anteversion Can Be Measured Accurately With Low Dose Biplanar Imaging with Seth Jerabek M.D., Hospital for Special Surgery.
8. Kinematic Analysis for Preoperative Planning of Total Hip Arthroplasty with Seth Jerabek M.D. and David Mayman M.D., Hospital for Special Surgery.
9. Biomechanical Assessment of a Novel Posterior Soft Tissue Repair Technique in Primary Total Hip Arthroplasty with Amar Ranawat M.D., Hospital for Special Surgery.
