Profile

Milica Dragicevic, PT DPT has been practicing outpatient orthopedics at Illinois Bone and Joint Institute in Gurnee since her graduation from Rosalind Franklin University of Medicine and Science since 2011. She appreciates the collaborative approach here at IBJI working closely with physicians, physician assistants, nurses, and fellow therapists for most effective patient care. She enjoys the variety of surgical and non-surgical diagnoses treated in an active environment of an outpatient orthopedic setting.

Milica is a participant in the OrthoSync program, which is dedicated to creating personalized post-operative care plans for after total joint replacements and takes an active role in the recovery of many joint replacement patients. Milica is also fluent in Serbian.

Education

- BS, Biological Sciences, University of Illinois at Chicago
- Doctorate in Physical Therapy; Rosalind Franklin University of Medicine and Sciences
