Profile

Maritza Flores, PTA, has been a part of the IBJI team since May of 2015 at the Chicago-Avondale location while studying at North Park University where she received a Bachelor's degree in Science with an emphasis in Exercise Science. Shortly after, Maritza attended Oakton Community College to pursue her Physical Therapist Assistant degree.

Maritza is dedicated to providing both an enjoyable yet beneficial therapy session tailored to each individual patient to elicit optimal results. Maritza is committed and driven in using the most appropriate and evidence-based treatments to facilitate a full recovery with various diagnoses.

On Maritza's time off, she enjoys spending time with her family and German shepherd, traveling to new places, and demonstrating an active lifestyle.

Education

- Bachelors in Exercise Science, North Park University
- Physical Therapist Assistant, Oakton Community College
