Profile

Angie joined the IBJI team in 2015 first as a Massage Therapist and Performance Trainer, then in 2019 she started working as a Physical Therapist Assistant.

Angie completed her education at National University of Health Sciences where she received an Associates in Applied Science in Massage Therapy. Angie then continued her education at Oakton Community College where she completed an Associates in Applied Science degree to become a Physical Therapist Assistant.

Angie is dedicated to improving the everyday lives of patients by utilizing her skills as a Massage Therapist and Performance Trainer in conjunction with her education as a PTA.

Education

- Associate of Applied Health Science in Massage Therapy, National University of Health Sciences
- Associate of Applied Science, Physical Therapist Assistant, Oakton Community College
