## Profile

Dencel Ray Polintan, PT, DPT has been practicing the profession since May of 2012. A graduate from the University of Santo Tomas in Manila, Philippines, he then received his doctorate degree from Utica College. He initially practiced in the Philippines at a musculoskeletal specialty clinic for 1.5 years.

In Texas, he started as a home health physical therapist, catering to various cases. From there he transferred to Illinois and worked as an evaluating therapist in the skilled nursing setting. Dencel is interested in a variety of cases and is always ready to take on new challenges.

## Education

- Bachelors in Physical Therapy, University of Santo Tomas
- Doctorate in Physical Therapy, Utica College
