Profile

Molly Ryser, PT, DPT has been practicing physical therapy in the outpatient physical therapy setting for over 15 years. She works primarily out of IBJI's Bannockburn location. Molly has previous clinical management and development experience, but her current role is patient care focused as a part time clinician.

Molly is skilled in evaluating and treating a wide variety of injuries and conditions. She has worked with injured workers, recreational and professional athletes, and individuals with musculoskeletal injuries from youth to elderly. Molly believes in individualized care and providing each patient with comprehensive treatment to meet their rehabilitation goals. She has attended extensive continuing education regarding orthopedic evaluation and treatment. Additionally, she has received advanced training in the evaluation and treatment of dizziness disorders, and she has treated patients with dizziness for the entirety of her career.

Molly grew up in Minnesota, but has lived on the North Shore for 10 years. When not working, she enjoys spending time with her family, walking her 2 dogs, attending concerts at Ravinia, and traveling.
