Profile

Colleen Scott, PT, DPT graduated from Carroll University earning her doctorate in Physical Therapy. Colleen began her education at IBJI in Gurnee as a student on her first clinical rotation and is now starting her career with the Gurnee team.

Colleen enjoys working with all patient populations and discovered her love for outpatient therapy through the relationships she is able to establish with her patients. She strives to empower her patients by combining hands-on treatment with functional interventions to help them return to what they love. She is passionate about gaining opportunity for ongoing learning for further career development to provide the highest quality care.

Colleen is currently a member of the American Physical Therapy Association, as well as, the Sections on Research. In her free time, Colleen enjoys being active and participates in rock climbing, hiking, and running Tough Mudders. She also enjoys spending time with her family, friends, and dog, Patches.
