Profile

Kailee is a graduate of Rosalind Franklin University of Medicine and Science where she received her Doctorate of Physical Therapy and joined the IBJI Buffalo Grove team in 2017.

Kailee is very interested in continuing to develop and progress her abilities, and consistently dedicates time to continuing education. She is a former soccer player which increases her understanding of the rehabilitation process of these types of athletes. She also enjoys the rehabilitation process of post-operative patients.

When not in the clinic, Kailee enjoys spending time with family and friends, reading, walking her dog, and running outdoors.

Education

- Bachelor of Science Kinesiology, University of Illinois at Urbana-Champaign
- Doctorate of Physical Therapy, Rosalind Franklin University of Medicine and Science
