Profile

Lauren Verrilli has been practicing outpatient orthopedics at the Peterson location since graduating from Saint Louis University's Doctorate Program in Physical Therapy. Lauren is a midwest native, originally from Cincinnati, OH.

Lauren utilizes an evidence-based approach to treat a wide variety of diagnoses. She enjoys her diverse caseload and the collaborative care model of IBJI. Lauren has worked closely with several of IBJI's orthopedic surgeons and openly communicates with physicians to improve her patient's care.

Lauren has a keen interest in the foot and ankle and running injuries. She is a member of the Foot & Ankle Special Interest Group at IBJI. She is also certified through the American Institute of Balance in Vestibular Rehabilitation and Concussion Management.

Lauren loves living in Chicago and enjoys sports, concerts and hanging out with friends. She is an avid runner and ran her first full marathon in Chicago in 2018.

Education

- BS, Exercise Science; Saint Louis University
- Doctor of Physical Therapy; Saint Louis University
