Profile

Jonathan received his Doctorate of Physical Therapy from Carroll University in Waukesha, Wisconsin. His clinical experiences include a wide variety of intensive care, inpatient neurological rehabilitation, and outpatient orthopedic rehabilitation. His interests primarily include vestibular therapy, chronic pain management, and covid-19 rehabilitation. He aspires to receive advanced certifications in orthopedic manual therapy and vestibular therapy in the near future.

Outside of physical therapy, he runs a nationally renowned wedding entertainment group called Kochuveettil Beats. Jonathan is very excited to join the Glenview IBJI team!
