Profile

Gregg graduated from the University of Illinois at Chicago in 2013 with a Bachelor's Degree in Kinesiology and the University of Wisconsin-Milwaukee with a Master's Degree in Occupational Therapy. He completed his fieldwork in a variety of disciplines, including hand therapy at the Mayo Clinic in Rochester, MN and acute hospital inpatient rehabilitation at the Community Hospital in Munster, IN.

Upon graduation, Gregg worked for The Orthopedic Institute in Gainesville, FL as a Hand Therapist, and returned home to the Chicagoland area to continue his passion for upper extremity rehabilitation at the Illinois Bone and Joint Institute.

Gregg believes in optimizing the patient care experience through the incorporation of an occupation-based and client-centered approach, which identifies and addresses the specific needs of each client.

Outside of the clinic, Gregg is typically golfing, weight training, running or spending time with his family and Soft-Coated Wheaten Terrier, Arthur. He loves his Chicago sports teams and mixed martial arts.

Education

- Bachelors of Science in Kinesiology, University of Illinois at Chicago
- Masters of Occupational Therapy, University of Wisconsin-Milwaukee
