## Profile

Jennifer Champion, PT, DPT earned her Bachelor of Science in Kinesiology from University of Wisconsin-Madison and earned her Doctorate in Physical Therapy from Northwestern University. She joined Illinois Bone & Joint Institute in 2019 at the Glenview location.

Jennifer previously worked in acute care and neurological rehabilitation setting allowing for a diverse background in the therapy world. She is excited to be a part of IBJI where there is strong communication and collaboration amongst patients, therapists and physicians.

Jennifer understands the importance of developing a comprehensive plan of care, tailored to the individuals needs, working toward function based goals to return to prior level of function. Jennifer continues to enhance her knowledge through continuing education in order to provide the most appropriate and evidence-based care.

In her free time, she enjoys spending time with her family and friends, being active outdoors and traveling.
