Profile

Lori graduated from Iligan Medical Center College in 1999 in the Philippines with a Bachelor of Science in Physical Therapy and completed her Master's Degree Equivalent at the Philippine Rehabilitation Institute Foundation in 2012. In addition to her license in Illinois she also has a license to practice Physical Therapy in the Philippines.

Lori has cared for patients in outpatient facilities and home care settings both here and abroad. These experiences have allowed her the opportunity to expand her skills in dealing with culturally diverse environment. She looks forward everyday to a rewarding interactions with her patients and meeting their needs through individualized treatment approach based on current clinical practice guidelines.

In her leisure time, Lori enjoys taking in the beauty on the local hiking and biking trails and spending time with her family in various outdoor activities.
